ASX ANNOUNCEMENT

Replacement Appendix 3b

The Company advises that appended below is an amended Appendix 3b, replacing that announced to the market on 15 January 2016.

The purpose of this announcement is to clarify the capital structure of the Company, including the various parcels of securities which are subject to different ASX restrictions (escrow). In particular the Company draws the market's attention to the restatement in boxes 8 and 9, found on page 3. This announcement also clarifies that of the 3,713,542 shares issued upon exercise of options (as announced 15/1/16) 546,875 are subject to ASX restriction until 11/12/2016, being 12 months following the date of issue of those options (settlement of the LPE acquisition). The balance is not escrowed as they are an existing class of securities, and were issued with shareholder approval over 12 months ago.
