ASX ANNOUNCEMENT

## LPE SIGNS 6 NEW STRATA COMMUNITIES IN PAST 5 DAYS

### LOCALITY PLANNING ENERGY ACQUISITION UPDATE

#### HIGHLIGHTS

- LPE signs 5 existing strata communities in SEQ
- LPE signs first strata community in growing Mackay Region, NQ
- Total apartments/units 322
- Estimated annual energy consumption 2.5GW
- All on 5 year electricity supply contracts
- Part of growing current pipeline of 400+ strata communities under negotiation

LPE continue to grow their energy under management profile with a further 6 existing strata communities signing conversion contracts. This increases LPE's strata communities under management, either in the conversion process or currently supplying, to 27.

The 6 existing strata communities are a mix of permanent accommodation, short stay leases and commercial retail. In total there are 322 apartments/units with estimated annual energy consumption of 2.5GWpa and all with 5 year supply contracts. The signing of the first contract in Mackay, Queensland provides a springboard to open up other opportunities in this rapidly growing region of North Queensland.

LPE currently has pipeline of 400+ strata communities in various stages of the negotiation/conversion process which based on an 80% pipeline completion rate, represents ~170GW of annual energy under management and over 40% of LPE's initial target of 400GW target.

Tivoli - Surfers Paradise

Seavue - Clontarf

Malibu - Mooloolaba

#### **About Locality Planning Energy Pty Ltd (LPE)**

LPE is an energy retailer authorised by the Australian Energy Regulator (AER) to supply and sell electricity to residential customers throughout the National Energy Market (NEM). LPE supplies and manages electricity sales to strata communities, both existing and new developments, generating significant savings on electricity delivered to strata community common areas and its occupants.

Currently LPE hold 1 of only 23 active small customer energy retail authorisations with the AER Australia wide focussed on residential customers. LPE's unique purchasing model is matched against 5 to 10 year supply contracts providing LPE with consistent recurring revenues. LPE is transforming the electricity retail supply industry by providing an intelligent solution to help its customers shift away from high electricity costs, with no risk and no cost upfront cost. LPE is at the forefront of innovative electricity supply with a commitment to the integration of technology and renewable infrastructure, to provide the highest savings to its customers.
