ASX ANNOUNCEMENT

EAST MENZIES GOLDFIELD PROJECT EXPANDED WITH ADDITION OF FOUR TENEMENTS

Stratum Metals Limited (ASX: SXT) ("Stratum") is pleased to announce the expansion of the East Menzies Goldfield Project, with JV Company Menzies Goldfields Ltd purchasing three existing prospecting licences and pegging one new prospecting licence area.

All four tenements are bordered by existing project tenements and will provide the joint venture access to an additional 540 hectares of highly prospective ground.

Two separate vendors have been paid a total of \$110,000 for tenements P29/2174, P29/2220 and P29/2221, while P29/2337 was pegged directly by Menzies Goldfields Ltd (and remains as an application).

About Stratum Metals Limited

Stratum Metals Limited was formed to utilise some of the latest innovations in geosciences to target areas in Western Australia prospective for the discovery of gold and copper-gold ore bodies.

Stratum Metals has acquired a tenement portfolio located in the prospective gold and copper mineralisation region of Yilgarn in Western Australia. These tenements cover a range of mineralising systems in known and emerging mineral provinces in Western Australia, where potential exists for new gold, copper and nickel discoveries.

Stratum Metals has commenced comprehensive and intensive exploration of the targets identified in the search for new ore bodies.

The East Menzies Goldfield Project is operated by Stratum Metals Ltd with ownership divided 60% Stratum Metals Ltd 40% Mountain Gold International Ltd. Exploration is funded by both parties in proportion to ownership.
