Corporate Governance Statement

This Corporate Governance Statement is current as at 27 August 2019 and has been approved by the Board of the Company on that date.

This Corporate Governance Statement discloses the extent to which the Company has, during the financial year ending 30 June 2019, followed the recommendations set by the ASX Corporate Governance Council in its publication "Corporate Governance Principles and Recommendations" 3rd Edition (Recommendations). The Recommendations are not mandatory, however the Recommendations that have not been followed for any part of the reporting period have been identified and reasons provided for not following them along with what (if any) alternative governance practices were adopted in lieu of the Recommendations during that period.

The Company has adopted various corporate governance policies and procedures which provide the written terms of reference for the Company's corporate governance duties.

Due to the current size and nature of the existing Board and the magnitude of the Company's operations, the Board does not consider that the Company will gain any benefit from activating all approved Board committees, aside from the established Audit and Risk Committee, the Remuneration Committee and the Nomination Committee which had its inaugural meeting during the most recent reporting period, and that its resources would be better utilised in other areas as the Board is of the strong view that at this stage the experience and skill set of the current Board is sufficient to perform these roles. This Corporate Governance Statement and the Company's various corporate governance policies and procedures are available on the Company's website at www.localityenergy.com.au.

<p>Recommendation 1.3</p> <p>A listed entity should have a written agreement with each Director and senior executive setting out the terms of their appointment.</p>	YES	<p>The Company's composition of the Board requires the Board to ensure that once the Board decides to appoint a new director, that director would be expected to sign the terms and conditions for appointment of non-executive directors and a director's consent to act.</p> <p>The Company has had written agreements with each of its Directors and senior executives for the past financial year.</p>
