OPERATIONAL UPDATE

ADDED 6.52GWh OF BILLING AN INCREASE OF 8.21% IN FEBRUARY TO 85.92GWh

- LPE is billing 85.92GWh, an increase from 79.4GWh at 28 February 2017, representing a 8.21% increase during the month
- An additional 6.52GWh has commenced billing in the month of February 2017
- Growth continues in new agreements and converting the strong pipeline through to billing

Locality Planning Energy Holdings Limited (ASX: LPE) (the Company) is pleased to inform shareholders of an additional 6.52GWh in billing contracts Under Management (UM) through the month of February, representing an 8.21% increase over the month.

During the month LPE received strong institutional investor support by successfully raising \$5.78 million via a 289 million share issue. Proceeds from the Placement will be used to convert communities currently under contract to under management along with accelerating growth throughout South East Queensland and into regional New South Wales. The introduction of institutional investors onto the register of the Company pre-profit is a testament to the model and rate of growth of the Company.

LPE is proud of the strong start to the calendar year 2017, consistently adding to communities Under Contract (UC) and streamlining the process of converting communities to Under Management (UM), moving closer to our near-term goal of operational cash flow positivity.
